Terms & Agreements

Payment Policy

In all cases, Better Dental patients agree to the following payment policies: Payment in full of the estimated patient portion of the fees is due no later than when services are rendered. For comprehensive treatment plans requiring multiple office visits, Better Dental requires a minimum deposit of 50% of the total estimated patient portion of the fees at the start of treatment.

Privacy Policy

By signing below, I acknowledge that I have read Better Dental's Notice of Privacy Practices, as mandated by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). If you are very curious and enjoy reading legalese, please ask our front desk for a paper copy.

Missed Appointments

At Better Dental we have a mission: Make top-quality dental care accessible to everyone. In order to provide amazing service without charging an arm and a leg, it is essential for us to keep our chairs fully booked. When a guest misses an appointment, our staff do two things: First they cry and ask "why doesn't anyone like me?" and then they sit in melancholy, staring at the floor. Neither of these activities help us achieve our world-changing vision. To this end, we are obliged to charge a \$75 "Missed Appointment Fee" for all cancelled or rescheduled appointments without AT LEAST 24 HOURS NOTICE. Arriving more than 15 minutes late for appointment is considered a miss.

DENTAL INSURANCE

As a service to all of our patients with dental insurance, we will happily file your claims for you. However, if you DO NOT agree to any of the following terms, you hereby waive the privilege of having your claim filed for you. As such, you will then be responsible for the total cost of your treatment at the time of service unless otherwise agreed upon. If you choose to file your own claim and need assistance, let us know, we would love to help.

Insurance: Permission to File

To the extent permitted by law, I consent to Better Dental's use and disclosure of my Protected Health Information to carry out payment activities in connection with my insurance claim. This information will be used exclusively for the purpose of evaluating and administering claims for benefits. I further authorize and direct payment to Better Dental of the dental benefits otherwise payable to me.

Insurance: Pre-treatment Estimates

Insurance estimates are not a guarantee of coverage. We pride ourselves on being able to provide you with an accurate estimation of your cost, but nothing can match the accuracy of getting an estimate directly from your insurance prior to treatment. We strongly recommend pre-treatment estimates on procedures with a cost of greater than \$300 to help avoid any unwanted surprises. We will send any pre-treatment estimates on your behalf and typically take between 1-3 weeks to be returned to us from your insurance. If your ailment requires immediate treatment, or you do not want a pre-treatment estimate to be sent, we cannot guarantee insurance payment. It is your responsibility to pay any charges not paid by your insurance if a pre-treatment estimate is not sent.
